

RECRUITMENT SCHEDULE
FOR FULL-TIME AND PART-TIME FIRST-CYCLE STUDIES
STARTING IN THE 2026/2027 ACADEMIC YEAR,
APPLICABLE TO FOREIGNERS WITH A CERTIFICATE OBTAINED ABROAD (NOT IN POLAND)

1 June 2026	Registration of candidates in the enrolment system IRK	Within this deadline, the candidate should create a recruitment account, fill in all the required data, upload an electronic photo, select the three qualifying subjects, attach scans of documents, select the study program(s) ("Sign up"), pay an enrolment fee of PLN 85 for each application (in the case of candidates qualified for the Mathematics exam, the enrolment fee is PLN 100). The individual account number for the enrolment fee will be generated in the recruitment system IRK in the Payments tab. The fee must be credited to the University's bank account by July 14, 2026. Unpaid applications will not be considered. The enrolment fee is non-refundable.
10 July 2026 until 11:59 p.m. (Polish time)	Last day to register and add applications in the IRK system	On 10 July 2026 at 23:59 (Polish time), the online registration system IRK will be closed and it will not be possible to register or add an application for the chosen program(s) of study.
23 July 2026	Mathematics exam for foreigners, referred to in Article 70, Section 5b of the Law on Higher Education and Science	The exam will be conducted remotely via MS Teams. The link to the exam will be sent in a message in the IRK system by 22 July 2026. NOTE: Candidates who have paid the enrolment fee and uploaded at least a scan of their secondary school leaving certificate to the IRK system will be qualified to take the Mathematics exam.
24 July 2026 until 4 p.m. (Polish time)	Mathematics exam results	The exam results will appear in the IRK system, in the "Qualification Status" window. NOTE: Passing the Mathematics exam is one of the elements of the admissions process. Admission to the university is determined by the number of admission points obtained in the three qualifying subjects and the mathematics exam.
17 August 2026 until 6 p.m.	Setting scoring threshold and qualification of candidates	Candidates who obtain the required minimum number of recruitment points will receive the "Qualified" status in the "Qualification status" window, and information about the place and deadline for submitting documents in the Comment.

		NOTE: A candidate for a full-fee study is required to pay the fee for the first semester to the bank account designated by the University. Information about the account number for payment will be sent from the address enrolment@ue.wroc.pl
18 August 2026 till 10 September 2026 until 2:00 p.m. (Polish time)	Submission of documents to the Recruitment Committee	Qualified candidates should deliver the required documents in paper form in person, by proxy (based on a simple authorization), by traditional mail or courier. The given deadline means the date of delivery of documents to the Recruitment Committee, not the date of sending the shipment.
11 September 2026 until 4 p.m. (Polish time)	Announcement of the recruitment results in the candidates' accounts in the IRK system	Approval of the final list of accepted students. End of the recruitment process.
